**Regional Trainings**

WCASA will be providing advanced training regionally, based on what each respective region determines is needed. Training will be provided by WCASA staff, consultants, or experts around the state. Potential topics may include: support groups, advanced advocacy, advanced legal, working with non-traditional community providers, creating evaluations for your program, facilitating prevention groups in the schools, human trafficking, and more. Please watch our website and emails for more information on regional trainings.

**Please check back for updates**
