From our colleagues at the National Alliance to End Sexual Violence:

The Cromnibus is in trouble--it's not clear there are enough votes in the House to pass it. This is the appropriations bill that includes our VAWA and VOCA increases we have fought so hard for! Please forward this to programs immediately and call any and all Democrats in your House delegation with this message:

"Vote yes and pass the cromnibus today. Survivors of sexual assault desperately need the funding increases contained in the bill."

If you know specific staff members, call them now. If you don't, call the DC office and leave a message.
