Trainings will include the following topics:

- LGBT 101
- Creating accessible, inclusive services for LGBT victims/survivors
- Understanding the dynamics of domestic violence and sexual assault in LGBT communities
- Examining barriers LGBT victims/survivors face
- Becoming an ally of people who identify as LGBT
- Learning about and overcoming homophobia, bi-phobia and trans-phobia
- Acknowledging power, privilege and oppression

Purpose of the training

This one day training is designed primarily for sexual assault and domestic violence agency staff, coordinated community response teams and others working with lesbian, gay, bisexual and/or transgender (LGBT) victims/survivors of sexual and domestic violence in intimate partner relationships.
Interested in hosting a workshop?

The LGBT DV/SA Committee of the Wisconsin Coalition Against Domestic Violence and the Wisconsin Coalition Against Sexual Assault offer “Providing Inclusive Services: Working with LGBT Survivors of Domestic and Sexual Assault” in different locations throughout Wisconsin. Minimum of ten participants please.
