SELF-CARE:

Based on feedback from SAVAS participants, we added optional self-care activities. While we believe self-care is important, we recognize it is a very personalized practice. We are providing a variety of self-care activities to use throughout the training & beyond.

Activities: Available in Dropbox	Gratitude
	Self-Massage
	Resiliency
	Stretching
	Journaling
	Self-Compassion
	Deep Breathing

RECOMMENDED WEBINARS:

Because we are not able to fit every topic into the live training, we also recommend webinars for participants complete. We have them split out by PRE/POST, based on the topic. Additional topics can be found on the WCASA Website & YouTube.
